To
The Head of Department
Department of Electronics Engineering
IIT Varanasi

Respected Sir,

Subject:- Request for purchase of equipment for Exploratory project.

We are the students of Electronics Engineering department enrolled in B.Tech 4 year program currently in our 2nd year. We are currently working on our exploratory project "Developing an FPGA based Deep Neural Network Accelerator" under the guidance of Dr. Amritanshu Pandey. Since the required components cost around INR 14000 to 15000 in the market and we are unable to buy it by ourselves. So, we kindly request you to help us in buying the required FPGA board as it will be a great asset to our department in upcoming years. We are hoping for your kind consideration.

Required Component:

S.No	Name	Quantity	Approximate price in market(INR)
1.	Xilinx TUL PYNQ TM-Z2 FPGA Board	1	15,000/-

Date:-27/01/2020

Place:Varanasi
